

10 reasons to be a part of the Goonellabah Church Plant

A lot of people have been asking “So who is actually going to be part of the Goonellabah Church Plant?” If you answer “yes” to at least half of the questions below, then the answer could very well be YOU!

	YES	NO
1. Do you really love Jesus and want to live your life for him?		
2. Do you have a heart for the lost?		
3. Do you live East of Invercauld Road?		
4. Do you like being part of something new?		
5. Do you believe that the gospel is God’s power to save?		
6. Would you be happy to be part of a small church and to pray for its growth?		
7. Are you willing to say goodbye to familiar things for the sake of the gospel?		
8. Do you enjoy being part of a team?		
9. Do you have connections in Goonellabah: work, family, friends...?		
10. Are you keen to make a difference in a new neighborhood?		

So how did you go? Are you church plant material? If you answered yes to at least 5 of these questions, we’d like you to seriously consider being part of this great opportunity to be growing followers of Jesus. Sure, it won’t be what’s best for everyone but we’re hoping to kick-off with at least 30 adults. Could you be one of that number?

Please see below for a timeline of the plan leading up to the start of the church plant so that you can be praying for our plans and also about the part you can play.
