If you're not familiar with explore it is a lunchtime group that runs at Lismore High (Thursday), and Richmond River (Tuesday). It's a place for students to be encouraged as they look to follow Jesus, and it's also a place for their non-Christian friends to find out a little more about Jesus.

79C PROGRAM

Dear parents/guardians of 79Cers,

This term in 79C we'll be checking out the book of Ephesians. We'll be learning that the gospel of God's love reveals riches far greater than earthly appearances, so we need to live our lives based on his love and not on our circumstances.

If you're not familiar with 79C, it's designed to help years 7 to 9 make the transition to big church (from kid's church) and also to build strong Christian community among the students. 79C will be on 6 of the 10 weeks of term. On the weeks where 79C is not on students will be encouraged to sit together in church after the break.

In Christ.
