

## A HEART FOR MISSION

"As the Father has sent me, I am sending you." And with that he breathed on them and said, "Receive the Holy Spirit." Our God is a missionary God who sent his Son to rescue and restore a people to be his very own. And he gives his Spirit to his people to continue his mission until Jesus returns.

Planting a church in Goonellabah gives ALL of us at SCPC a great opportunity to recommit ourselves to God's mission. We ALL have a part to play but we'll only play our part well if our mission has the right motivation.

In January 2017, Paul Sheely from Albury Presbyterian Church will join us at Homegrown to spur us on in having a "Heart for Mission" by reminding us from Romans 8 of the glory of the gospel of Christ that we share - a great way to launch into 2017!

## ABOUT PAUL SHEELY

Paul is married to Margie and they have five kids and one dog.

The Sheely family have been in Albury since 2010.  
Before that they lived in Dubbo for 15 years.

Paul enjoys loud guitars, family movie nights and football  
(the round ball world game type).
