## A WORD FROM THE YOUTH TEAM

Planning is well underway for Safari 2019 and we're really starting to get excited.

Inside you'll find the Safari 2019 brochure with all the details you need to know about what's happening on camp this year and everything you need to do to get ready.

It'd be great if you can register sooner rather than later because this will help us with our planning. As always, if money is a problem please let us know and we'll see what we can do - we don't want anyone to miss out on the absolute highlight of the Youth year!

In the rego form you'll also see a "risk warning" which is a legal requirement for us to include. Some of the language in the risk warning makes it sound like Safari is some kind of military boot camp! We just want to assure you that everyone will be very well looked after and the Youth and activities will be well-supervised at all times. And if anyone is concerned about taking part in any activity, that's fine - sitting out will always be an option.

If you have any questions or concerns, please feel free to contact me.
